

The Bato Clipping range

The Bato Clippings ensures optimal grip and they are very quick and easy to place. You can use the Bato Clipping 13,16,20,25 and 32 millimeters to secure pot plants and vegetable plants on a stick or other support. The Bato Mono Clip 25 millimeters is quick and easy to place due its elasticity. This system allows the Mono Clip to slip over the stem without damaging the plant.

Cliprings	Type	Dimensions	Color/material 	Color/material 	Color/material 	Color/material 	Pieces/box	Box	Pieces/pallet	Pallet
	Clipring 13	13mm	Green/Virgin PP	Black/Recycled PP	Brown/Biodegradable	-	75.000	60x40x40 cm	1.875.000	120x100 cm
